Jack and the Beanstalk, directed by Andrew Stowe, will be full of all the usual pantomime fun and frolics. Based on a more traditional version of the classic fairytale, it follows the journey of Jack Trott who must battle the evil King Putrid and save his beloved Jill. Along his journey he encounters ghosts, ghouls and a very, very hungry Giant! With a little help from his mother, Dame Trott and their ever faithful farm-hand, Muddles, we follow their journey from farm to cloud. With visits from the magical Fairy Goode, a sprinkling of audience participation and the pantomime cow, Daisy, along with all of our colourful sets, costumes and bright musical numbers; this is one production you don't want to miss.
