## ***A note from the director...***

Well, it's that time of year again! 'Oh no it isn't!' Oh yes it is! Welcome to our first production of 2013. I hope you enjoy our telling of 'Jack & The Beanstalk'. The group started rehearsing way back in September, and the time has flown by. It's my first time directing a pantomime and I've had a lot of fun. I dearly hope that you all enjoy watching this as much as we've enjoyed bringing it to life. My thanks go to the cast for being so wonderful, and for Kirsty for devising the dances. The biggest thank you must go to Charlotte and Kevin for allowing me the opportunity to do this, and for being so involved in every aspect from set design, set construction, lighting and sound, to choreography and costumes (to name but a few of their duties!) Thanks must also go to the backstage team whom none of us would be here without.

It's always sad to lose valued members of our group and for some cast, this will be their last performance with us for a while, I'd like to take this opportunity to thank them, and wish them all the best for their future endeavours.

But for now, sit back and enjoy our show and remember to watch out for the beanstalks, be wary of Fairies, and don't forget to sing along!

Many thanks

*Andrew Stowe*
