This wonderful stage production is not to be missed by young or old.

It tells the classic story of four children evacuated from London in the war to stay with an old Professor and his house keeper.

Whilst exploring, young Lucy discovers a Wardrobe and an entrance into the magical world of Narnia.

But Narnia is shrouded in winter due to the White Witch, and the four get themselves involved in a complex plot to save Narnia, and the friends they make along the way, such as Mr Tumnus and the Beavers.
