## *A note from our directors...*

“I have endeavoured in this ghostly little book, to raise the Ghost of an Idea, which shall not put my readers out of humour with themselves, with each other, with the season, or with me. May it haunt their homes pleasantly, and no one wish to lay it  
Their faithful Friend and Servant”

*Charles Dickens, December 1843*

So wrote Charles Dickens about his Christmas play, which has graced our theatres and televisions for decades. This new, musical version, was written and produced in 2010. This version stays true to Dickens original tale and with the introduction of a superb score will warm even the coldest heart.

The players have worked hard to bring the Victorian Christmas traditions to the small stage with this vibrant and joyous music we are extremely proud of their efforts and characterisations.

We sincerely hope you enjoy our show, and in the words immortalised by Tiny Tim.

*‘God bless us everyone’*

David Pascoe-Clark, Paul Taylor & Rod Lovell

This version of A Christmas Carol is based on the original novel by Charles Dickens. The book and lyrics are written by Chris Blackwood, the music was composed by Piers Chater Robinson. By arrangement with International Music and Theatre Ltd.
