## ***A note from the director...***

It's Panto time again! Oh yes it is! And in this version of Babes in the Wood by Leonard H Caddy we have a brilliant traditional Pantomime with plenty of audience participation and comedy which I am sure you will enjoy.

I had the pleasure, again this year, to direct as well as perform as Dame Clodhopper Moppet (Moppey), the babes' nursemaid with a cast of experienced actors as well as some new to the concept.

During 2015 Hanham Players started a junior section run by the talented Kirsty Johnstone who plays Robin and all the children have been selected from this group. Some have appeared in previous pantomimes and some are very new to the stage. I would like to thank Kirsty for all her help and dedication in getting everyone ready for this production, as I tell her often I could not have done it without her and that is so true.

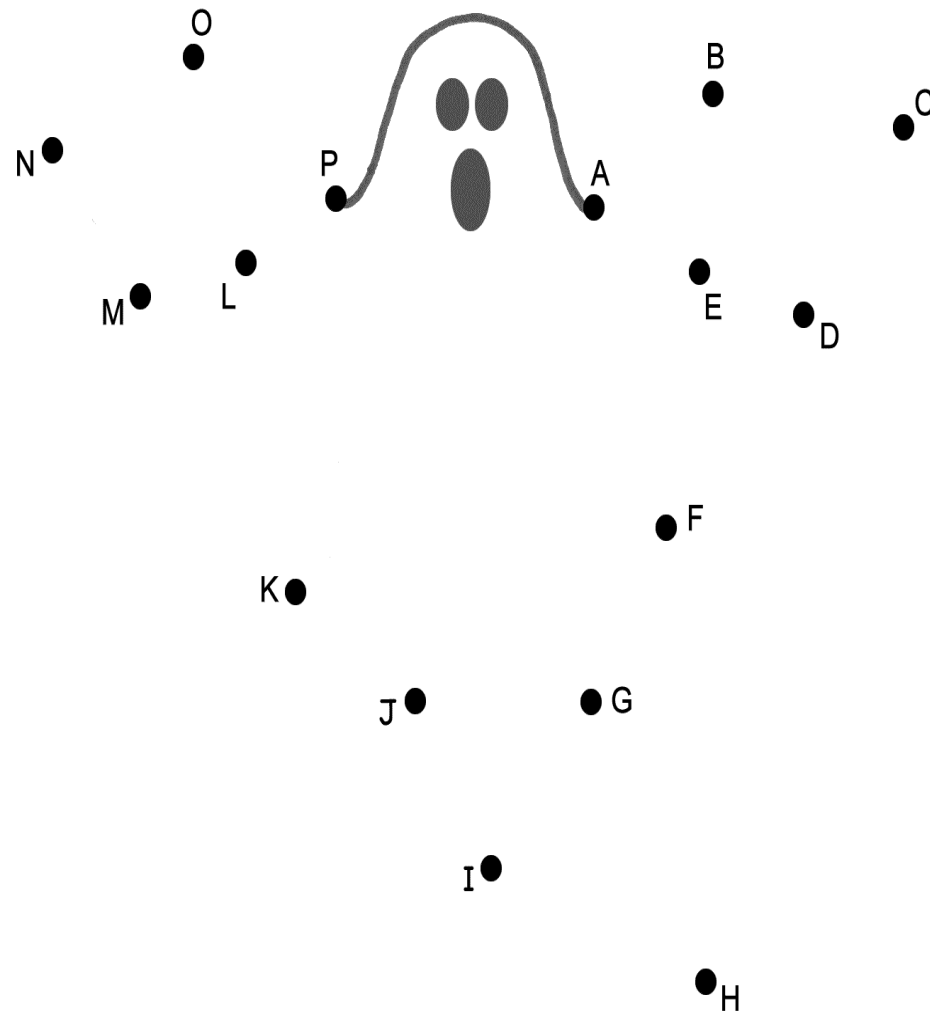

I would also like to thank Charlotte and Kevin for their help and excellent technical knowledge, set design and construction to bring this production to the stage and their team Andy, Ria and Ian you don't often see them (look out for the tree), but we couldn't do without them.

Finally a huge thank you to our patrons and supporters, without whom we could not perform. Please enjoy Babes in the Wood as much as we have presenting it.

*David Pascoe-Clark*
