

When I purchased a copy of this script last year I knew after reading it that we had to stage it, but had major concerns regarding the complexity of the set.

A meeting with Kevin on new years eve morning put my mind at rest, as Kevin and Charlotte had some great ideas to overcome any problems.

I feel truly humbled by the enthusiasm of the cast and stage crew throughout the 3-4 month rehearsal period, and am proud to present to you, our production of 'The Titfield Thunderbolt'.

Thank you so much for your continued support.
